

Sunways

Photovoltaic Technology

Application form for an installer password

Please complete and fax to **+49 (0)7531 996 77-444 (International)**
+34 (0)93664 9447 (Spain, Portugal)
+39 051 619 42 07 (Italy)
Or via e-mail: **service@sunways.de**

On submission of the completed and signed application form together with the sales receipt for the Solar Inverter, Sunways AG will issue an installer password offering extended access to the specified inverter via the Sunways Browser.

With his signature the installer of the PV system specified below confirms that he will only undertake the settings agreed with the Sunways AG technical hotline or which comply with local regulations and which are authorised by the grid operator / utility.

Any measures beyond the agreed scope would be carried out at his own risk and his own responsibility.

System name

Reason for application

Device data (see rating plate)

Serial number

MAC address

Access data (will be allocated by Sunways)

Installer password

Authorised tasks
